The name is Ashley and I am 30 years young! I was late discovering the world of beauty and confidence but have recently found my passion in life. Beauty is in everything and it's up to us to capture this beauty. I have to say first that I love my babies Kait, Lil'Lance, Evan, and Ava. And of course Jason. Without all of you I wouldn't be right where I am today. I am so thankful for all of you! And of course to all the fans and photographers... Vance Davis, Samuel Martino, and Blu Banana

# DEESTACY BEAUTY JOY

She actually started modeling about ten years ago through good old Myspace. That is when she was first approached by photographers to do photo shoots when social media modeling was just starting. At first she was too scared and thought it was a scam. Then she saw girls she knew with beautiful photos and thought "Wow I want that!". That led to her first photoshoot. She loved the results and quickly led to more photoshoots, then paid work, then publications. She was in grad school at the time and thought what a fun, exciting way to make money between studying!! Now she is a full time model and does not regret that decision at all!! Biggest accomplishments include multiple well known glamour/swimwear magazines as calendar features, featured model, and cover model. She has traveled as far as Vegas, Florida, Costa Rica, Jamaica, and Hawaii for photoshoots. She has also done product advertisements for well known swimwear and lingerie companies. She has been featured on Maxim online and has worked both Maxim and FHM events. However, she is most known for her tv performances. She started off as lead extra on well known shows including Spike TV Inkmaster Season 2, NBC Do no Harm, and Style Network Jerseylicious to name a few. She is well known for her "ground breaking scene stealing, and controversial " performance as cast member on Season 1 VH1 Dating Naked. She was also a celebrity guest on NBC Universal show Crazy Talk interviewed by NY Live Host Ben Aaron. She strives to stay active in the model world with more publications and exposure and trying to get as big as she can!! Unfortunately she had to turn down the role on this year's Season 3 Dating Naked due to being in a serious relationship. However, this isn't the last you have seen or heard from her!! Hopefully not!!
