Introducing Anna Petrova to the American glamour market! Anna is a 28 year old atomic bomb from Britain, boasting Russian and Serbian heritage and a knockout figure with 32D-24-34 stats! Originally from the British capital of London, she resides mainly now in the east coast city of Norwich where she launched her successful modelling career late last year. In a short amount of time the heavily inked Anna has been featured in a number of publications in the UK and abroad.

Talking to Anna today, I asked her a few question....

Hey Anna, so how did you get started modelling? honestly I'm still not sure haha! I did a couple of

local shoots when I joined up to Purpleport (UK based modelling network site), and it just seemed to take off from there. I've been very lucky in that I've been able to concentrate on modelling and doing lots of shoots, based on the flexible nature of my job.

So what is your day job? it's a night job. I work as an exotic dancer in what I think is for sure the best club in the U.K. Lace, in Norwich. I've been there three years now, and they've been incredibly supportive of my modelling ventures, even though it means I've taken on less shifts. Big up to Dawn and Jack, couldn't ask for better bosses.

Where do you see yourself going with this? As far as I can, honestly. I'm hugely ambitious, so the sky's the limit as far as I'm concerned.

Good attitude! So you're ambitious, so what are your other good qualities? Well, I'm confident and I like to be versatile in my modelling, I'll give most things a go! I'm a hard worker too, I never quite know what to do with myself when I have down time! Relaxation is generally not a feature in my life haha!

And your bad ones? Ooh! Man, I can be pretty ruthless if crossed. I hold grudges...I'm Russian, I can't help it!

You're heavily inked, what was your first tattoo, and your favourite? The first one I ever got was a quote on my wrist, it says 'Live Through This' in Russian (little nod to my heritage there). I'd like to say it is deep and meaningful, but it's just the name of my favourite album haha. My favourite tattoo would probably be my left sleeve, it was banged out in 21 hours by the über talented Pauly Dobson of Rebel Inc in Norwich.

Any more work planned? Oh man, loads. Pauly is gonna do my leg piece next month, then we've got a massive back portrait planned. I can't wait.

So any naughty secrets you want to share? They wouldn't be secrets if I told you! I'm a sexual animal, and I'm very flexible! Make of that what you will!

So there you have it, Anna Petrova in her own words. Hope you enjoyed! Photo credit for the set goes to Jack Stacey.

Lycia Sharyl is a cute and curvy glamour model from the town of Clacton on Sea on the East Coast of England. She is an English Page 3 Girl appearing topless in a national newspaper to add a little happiness to the readers' day. Page 3 is the archetypal British glamour image and the genre still holds iconic status in English society. Lycia has been modelling glamour for only 6 months but already has various publishing credits to her name and has appeared on several websites.

Lycia loves modelling. She is in her element in front of the camera. She is just over five feet tall in her bare feet but with the most beautiful natural breasts and gorgeous soft nipples. She has an amazing smile and oozes the classic girl nextdoor innocence. She is a rising star in the UK with a rapidly growing following of fans. She loves socialising with her friends. She has two pet Pomeranian dogs called Dolly and

Prince whom she adores. She has a soft spot for fast food, particularly McDonalds and cannot resist their summer special iced Strawberry Lemonade. She enjoys eating out and her favourite food is Italian, particularly pizza. She likes nothing better than to let her hair down after a hard day modelling and go dancing with her friends.

Lycia has modelled overseas in Lanzarote and Cannes and she is keen for more assignments in the sun. She has plans to produce her own official calendar and perhaps even her own website where her fans will be able to enjoy her cute girl nextdoor looks and admire those amazing gentle curves. She dreams of the idyllic fairytale romance having attended her high school prom dressed in an elaborate Cinderella style ball gown. Despite several dates she remains patiently waiting for her handsome prince charming to come and sweep her

off her feet as every little princess deserves.

Lycia's fabulous natural body is perfectly suited to bikinis and she owns several! The one in this set is one of her favourites but it nearly didn't make the cut after a traumatic experience on a photoshoot which left poor Lycia very shaken and deeply upset. She vowed to burn the bikini she wore on that ill-fated shoot, then in a plucky act of defiance, she decided to keep it, take back control of her womanhood and female beauty, and wear it proudly. We called this set 'Taking Back Ownership' as it represents Lycia's resolve and bravery in leaving the bad experiences in the past, picking herself up, moving on with her life and her career and putting herself back in the driving set. She is a powerful young woman with inspirational beauty within and without. Enjoy this intimate little set of a very pretty English model

I am a Peruvian/American, published, professional model living in south Louisiana. I happen to have a degree in business and extensive experience from bookkeeping to management. I have had the good fortune to be published & featured in Dream Vixens, Proshoot & Tantalize. In addition, I have won many online modeling competitions, including becoming Miss World Bikini TV, September 2016. Currently I'm expanding into acting and was an extra in Girl Trip coming out in 2017 and was given a small speaking role by Rob Reiner in Shock And Awe also coming out in 2017. Writing is a true love of mine and I am writing a couple of interesting things. Life is an adventure and very much like a roller coaster. You can let it bring you down or let it motivate you. I try to let it motivate me and look at the funny side of things. I had a friend who always said you do you, she was right. You have to do you.

A romantic couple is shown in a close embrace in a dark, wooded area at night. The man, shirtless and wearing black underwear with a pink waistband, is leaning over the woman. The woman, also shirtless, has long dark hair and is looking up at him. They are surrounded by dense foliage and vines. The lighting is warm and focused on the couple, creating a soft, intimate atmosphere. The text 'Nelson Rodriguez photography' is overlaid in the top right corner.
