I am a mother of two beautiful children. I am a three time cancer survivor. After my first cancer I decided that I wanted to start modeling to inspire others who may have experienced difficult times in their life. I have gotten many publications due to excellent photographers and to my love and dedication to modeling. My ultimate goal is to continue to inspire others and to make it on a few covers. Love Sheena

Nicole Gravitt

My name is Nicole
I am a mother to a beautiful 4 year old girl
I was told i could never have children and that With my height and tattoos I would never be able to model
I never stopped believing myself I have done runway fashion and swimsuit
I have been a promo model for a bikini team
I'm a hairstylist with 15 years of experience due to the pandemic I have had to take a step back to stay home with my daughter as she will not be attending school this year

Claire Mundy

Hi, My name is Lauren and I am an Internationally Published Web and Print Glamour and Adult model from the North East of England.

I can cover a wide variety of styles, from fashion to glamour, commercial to Pin up, and pretty much everything in between!

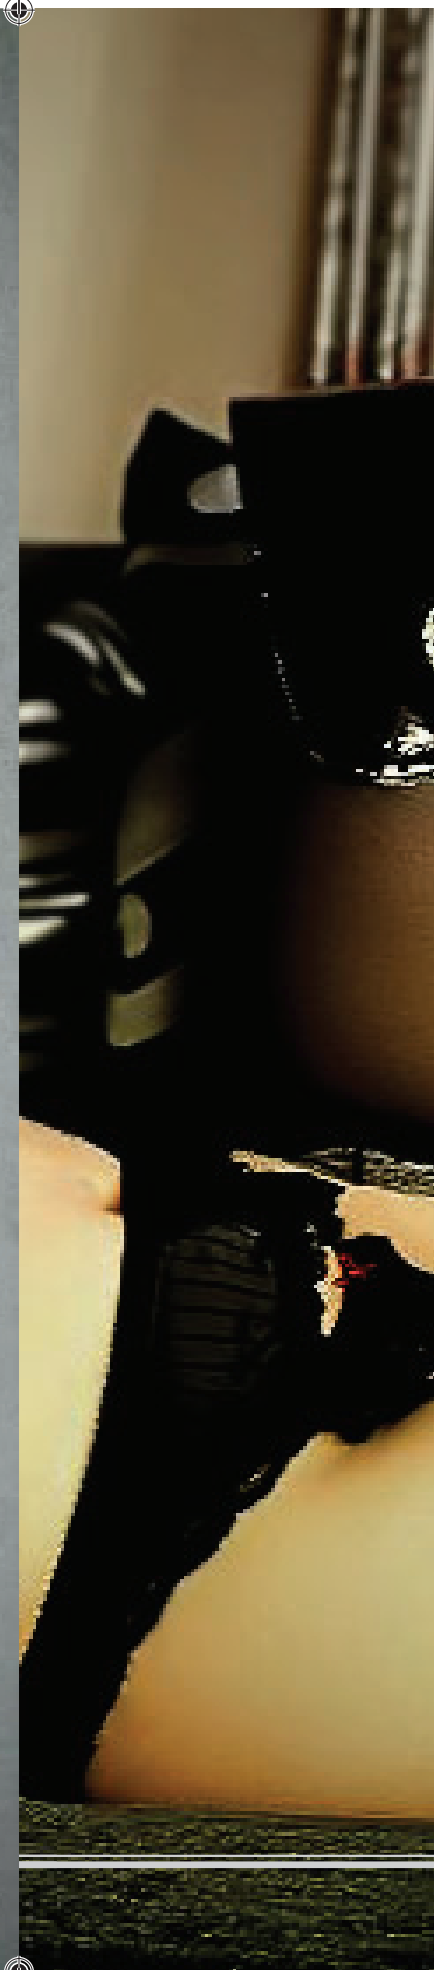

I have been in the industry for 20 years when I started as a fashion model scouted by a top local agency. Now my curvier figure lends itself better to a variety of styles but busty work is my niche market as I am an impressive 36GG

I have worked for and been published by:

- The Hustler corporation
- Loaded(Showgirl special)
- Peter Barrett's Garden Centre
- Boost Buster Creme ad model
- Lingerie Catwalk Shows
- The Sun,Sport and Sunday Sport
- Evening Chronicle
- Various Men's Mags
- Huge variety of websites including Busty Britain AND MANY MANY MORE!

My name is Julia Hale and this was my first time even taking photos and let me tell u i love do this. I would love to keep feeling this way. So much fun. I'm a single mother of 3 two boys one girl and never thought I could be in this spot. Michael was super nice and sweet he made it easy to feel safe and comfortable. He takes beautiful photos and give direction very well. My goal with this is to keep seeing where things go. I would like to be a model never thought I would but its fun. And the challenge I have is time. I work a lot and got kids. Some of my accomplishments,are raising three kids on my own, being able to keep a job and help those who I see need it.. This was for me and i enjoyed every minute. Thank u Michael for giving me a chance to feel beautiful and have fun doing so.
