I am a professional published model of Memphis TN. I have loved modeling since age 13 years old. I began my modeling career as a model of Memphis TN in the year of 2015, and was later assigned to an agency called Work Of Art Agency of Memphis TN for my talent. I have also done many fashion shows in the local areas of Memphis and even parts of Mississippi, as well as out of town shows. I have traveled to many cities such as ATL, New York, Kansas City, New Orleans as well as Chicago. Modeling isn't something I can just give up on it's my passion, not only I love what I do I live it everyday of my life. My idols always have been Tyra Banks & Naomi Campbell. Seeing them on the runway always motivated me to give it my best no matter what. In 2019 and in 2020 I was nominated for The SCM Awards for Model OTY by Jay Shield of Memphis TN. I was also nominated for Hood Idol Magazine Model OTY in Moss Point Ms. and received a trophy for my hard work. Modeling is everything to me! As a model of Memphis TN, I strive for the best I can be not only as a model, but as a mother of five beautiful children, a wife, and as a grandmother of two. In the fashion industry I have done TV, commercial, videos, lingerie, nude, and body art. I was even published in many magazines, such as Xposure, Erotica, Dime, XOXO, Through The Lens, Slay Queenz, Hood Idol, and Fashion Magazine for my talent as a model, and also on Roku for Battle Of The Strut which is produced by Kimberly Young of Kansas City, and been interviewed on the radio of 92.7fm on The Chris Grindhard Show. As a 5'2" model I continue to push towards success. I love how God created me. He created me to be able to stay focused, and motivated, as well as having confidence in myself. I love being me, different how God created me to be. I am your favorite Memphis Model, The Memphis Slayer

Audree Valdez

My name is Audree, I am 34 years old and am a Colorado Native. Although I work in Retail, my passion has always been in photography. I graduated in 2014 with my bachelors degree in the Arts. I specialize in shooting Boudoir Photography, and as much fun as I have photographing beautiful women, I equally enjoy being a model as well. I love experiencing being the model with new and upcoming photographers as well as with experienced professional photographers. I have definitely learned alot being on both sides of the camera and I am thoroughly enjoying every moment of it.

My name is Lindsay Machin, I'm 36 years old. I been modeling off and on since I was 8 years old; recently picked modeling back up fully around 2015. Since I been modeling I've came across some amazing models and photographers that have welcomed me into the modeling world. The style I mostly likely to shoot is, sexy lengiere, nudes. I love the dark sexy theme alot as well.... My goals in my modeling life is to achieve greatly and make it into every magazine type

u can think of, turning my modeling into a career one day. One of my biggest things I love doing is once I get new ink, I love to show it off and make a story out of my tattoos through my modeling. I have come across many challenges. One thing I tell my self about chanllenges "There no challenge that I can't handle". As long as u do your best and practice, the better you'll feel accomplished with the challenges that come your way each time.

Hi there. I'm Katelyn, Katie for short, I'm 27, and finally believing big dreams can come true, my story and why I'm finally doing this? I recently found out I have cancer in my cervix and my Uterus is mis shaped, I have endometriosis with a bunch of other things wrong, so I would love to see a fertility specialist so hopefully one day I can make a mini me. Or save for adoption; So here I am with the crazy wild dream to be a model or photographed in a magazine. My goal one day..I want to start an apprenticeship to be Piercer, along with my aspiring model. I've never been the pretty girl, or popular so to even put myself out there has been huge for my self love and confidence. I have been sick for months in months, lost of job, friendships, to get any help in this hard time would make me even more grateful. When I say help, I mean to get my story out! 2020 was hard as we all know. I lost 8 people. Two uncles and two bestfriends a couple childhood/home town friends. In February I was sexually assaulted, and too afraid to say anything, a lot of friends and family didn't Believe it I had to say or take it seriously, regardless SPEAK UP. When I finally put my words out there, the guy had three other open cases against him. Grief is hard. It's hard not to blame ourselves, Feel guilty and remember to forget the Trumatic things that happen to us. I do feel like the real goal in life is to figure out how to be happy because bad things are gonna happen and how we deal with it and react is what makes us grow. I still have nightmares I'm still scared. But girl or guy we had to stand together because Sexual assault and death happen and to feel alone, After feeling defeated it is worst feeling of them all. I had such high hopes for 2021 just to lead into it finding out all this news of cancer that flipped my world around. This is why I wanna Chase my dreams life is so short and I just wanna be happy. I also would like to support anyone doing through grief, Depression, and suicide. Talk about your feelings and take care of your body we are so fragile.
